

THE STATE LEGISLATURE TAKES STEPS TO LEGALIZE BOXING

TWO BOXING BILLS ARE INTRODUCED IN LEGISLATURE

One in Senate Would Place Sport Under Army, Navy and Civilian Board of Control.

[SPECIAL DESPATCH TO THE HERALD.]
ALBANY, N. Y., Monday.—Two boxing bills went before the State Legislature tonight. After years of controversy over the subject it appears probable that some form of legislation legalizing boxing will be enacted by the 1920 Legislature.

Twelve round decision bounds would be legalized by one of the bills, which was introduced by Assemblyman Harvey J. Ross, of Brooklyn, Republican, which, according to reports from Republican leaders, has a good chance of passage.

The second measure was in effect the bill sponsored last year by Senator James J. Walker, now Democratic leader of the Senate, which would place all boxing under the Army, Navy and Civilian Board of Boxing Control. The bill as introduced tonight by Senator Walker is changed in some respects from the measure which was beaten last year.

The Ross bill proposes to create a State athletic commission of three members, each with a \$5,000 yearly salary, who will be appointed by the Governor, the first commissioners serving until December 31, 1920, and their successors being appointed for two years. The bill also creates four deputies at \$2,500 and expenses for each day of actual service. The commission is given control of all professional boxing matches where a fee of admission is charged. Provision is made for licensing all clubs.

Bonds of \$10,000 will be required of all fight clubs in New York and other first class cities. A \$5,000 bond will be required in second class cities and \$2,500 bonds elsewhere.

Officials of each club are to be a referee, timekeeper and medical officer, all chosen by the State Commission. Referees will be required to announce decisions at the termination of each bout.

Broad powers to prevent fake fights are to be given the referees. They are empowered to terminate fake fights and to disqualify contestants without warning for fouls or unfair tactics. No contestants will be permitted under eighteen years of age and no boxers will be permitted to compete in more than twelve rounds of boxing in three days.

The Walker bill creates an unsalaried commission of three members to govern boxing. Licenses will be required of every person connected with bouts, including physicians, timekeepers, referees, judges, boxers, trainers and seconds.

The commission would have sole jurisdiction over all boxing, issuing permits to corporations conducting fights. Five thousand dollar bonds will be required of each club.

FULTON TOO MUCH FOR GREENE.

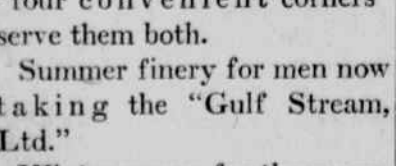

BUFFALO, N. Y., Monday.—A scheduled ten-round bout here tonight between Fred Fulton, of Minnesota, and Silas Greene, negro boxer of Toronto, was stopped in the fourth round when it became apparent that Greene was hopelessly outclassed by Fulton. Greene weighed only 116 pounds, while Fulton entered the ring at 214.

CHANEY WHIPS TIPLITZ.

PHILADELPHIA, Monday.—Young Chaney, of Baltimore, and Joe Tiplitz, of Philadelphia, fought six rounds to a draw here tonight. Chaney had the advantage of the first four rounds, but the local boxer came back strong and evened up the bout.

TWO FALLS FOR KETONEN.

BOSTON, Monday.—Waldo Ketonen retained his title of middleweight wrestling champion tonight when he gained two falls from Mike Yoke, a former titleholder. Yoke won the first fall forty-two minutes, but the champion took the next two in seventeen minutes, thirty seconds, and two minutes, fifteen seconds, respectively.

MR. DESCAMPS CABLES HE AWAITS DECISION OF C. B. COCHRANE

C. B. Cochrane, the English promoter, who is in this country for the purpose of arranging a world's championship fight between Jack Dempsey, title holder, and Georges Carpentier, of France, yesterday wrote what he hopes will be the final chapter in the discussion which has surrounded the promoting of the bout, when he made public a cable received yesterday morning from Mr. Francois Descamps, Carpentier's manager, in reply to one which he had sent to Paris on Saturday. The cable signed by Descamps is as follows:—

"Awaiting your decision have entertained no other offers whatever. Will not do so unless released by you."

In commenting on the many conflicting statements from Paris attributed to Descamps, Mr. Cochrane said:—

"This, I think, should put an end to all rumors concerning the contract and its reported expiration in February."

Bolster Is Best on a Slow Track

Son of Marco, Starting Public Choice, Beats Good Field Over Distance of Ground.

NEW ORLEANS, La., Monday.—Followers of first choices got a good break at the Fair Grounds track today. The Seminoles Purse of \$1,000, the feature race of the afternoon, was won by G. W. The distance was at a mile and a sixteenth, and Bolster, starting at even money, covered the route in the good time for the slow track of 1:50. Bolster, who was beaten by Sunlight last Saturday in a driving final, returned himself by trouncing Drummond, Dottie Vandiver, Sailor and Eulogy.

The summaries:—
